

Advertisement for the post of Project Technical Support-III (PTS-III)

Applications are invited for the post of Project Technical Support-III purely on contract basis under the ICMR funded project entitled “Glycosylation profiling in hemi-desmosomal proteins for identifying molecular signature in ocular mucus membrane pemphigoid and Pseudo Pemphigoid.”. The details of the project are mentioned below:

Title of the Project	Glycosylation profiling in hemi-desmosomal proteins for identifying molecular signature in ocular mucus membrane pemphigoid and Pseudo Pemphigoid.
No. of position	PTS-III: 02
Project Duration	3 years

Other relevant information:

01.	Principal Investigator	Dr. Srividya Gurumurthy, Ph. D
02.	Essential Qualifications	PTS-III – 1. For Sciences – Post Graduation in Life Sciences/ Biochemistry/ Biotechnology from a recognized University or Three Years Graduate in relevant subject/ field + three Years’ experience in relevant field <i>Desirable:</i> Candidates with an experience cell culture and molecular biology (particularly RNA isolation, quantitative real-time PCR, and western blotting)
02.	Age	PTS-III: Less than 35 years
03.	Salary/Emoluments	PTS-III: Rs. 28000/- + 30% HRA
04.	Duration	Till the completion of the project.
05.	Date of Interview	The interview date will be communicated to the shortlisted candidates through email. Note: Interview will only be conducted in offline mode.

Interested candidates should send their CV via email to drsividyasnm@gmail.com by 05/10/2026.

For any query contact

Dr. Srividya Gurumurthy (drsividyasnm@gmail.com)
Molecular Biologist, Molecular Diagnostics Laboratory
Medical Research Foundation, Sankara Nethralaya,
41, College Road, Nungambakkam
Chennai

General Terms & Conditions:

1. The candidates selected for the above posts will be on contract for the duration of the project conducted at Sankara Nethralaya, Nungambakkam, Chennai.
2. No hostel/ housing facility will be provided.
3. No TA/DA will be paid for attending the walk in interview, if called for.
4. Candidates should send complete Curriculum Vitae along with the names of three referees. Curriculum Vitae should contain details of the experimental expertise and list of publications, if any.
